HB-2785

BOWMAN.

(Ch. 37, par. 704-2)

Amends the Juvenile Court Act. Changes certain time limits for conducting adjudicatory hearings in determination of a minor's status.
HOUSE AMENDMENT NO. 1.
Provides that when the minor is in shelter care, the hearing must be within 120, rather than 60, days after the date of the order directing shelter care and that a hearing to determine the status of the case must be held within 60 days of the filing of the petition. Permits any party, rather than only the State or guardian ad litem, to seek a continuance.

HOUSE AMENDMENT NO. 2.
Adds reference to: Ch. 37, par. 704-3

Provides that service of a summons to a hearing to determine a minor’s status may be made upon the minor’s court-appointed guardian or custodian; if such guardian or custodian is a State agency, service may be made upon any administrative employee.

SENATE AMENDMENT NO. 1. (Senate recedes June 30, 1986)
Specifies those events which will toll the 120-day period in which adjudicatory hearings shall be held. Defines the period in which adjudicatory hearings shall be held for a minor with multiple petitions filed against him. Provides that changes relating to dates for adjudicatory hearings take effect January 1, 1988. Directs a summons resulting from a filed petition to the minor’s legal guardian or custodian, rather than the minor. Makes other changes. Adds immediate effective date.

SENATE AMENDMENT NO. 2. (Senate recedes June 30, 1986)
Adds reference to: Ch. 37, par. 703-6

Makes changes concerning detention and shelter care hearings for abused, neglected and dependent minors.

CONFERENCE COMMITTEE REPORT NO. 1.
Recommends that the Senate recede from S-am 1, 2.

Adds reference to: Ch. 37, par. 702-8

Recommends that the bill be further amended as follows: Changes the title and deletes everything after the enacting clause. Amends the Juvenile Court Act. Provides that the law enforcement officers who may have access to confidential law enforcement records relating to a minor must be youth officers investigating or prosecuting a crime. Makes various changes in the provisions which determine the date for an adjudicatory hearing to determine the status of a minor; certain of those provisions operate until January 1, 1988, and certain other provisions take effect at that time. Requires that the summons resulting from a filed petition for adjudicatory hearing be directed to the minor’s legal guardian or custodian, rather than the minor. Makes other changes. Effective immediately.

GOVERNOR AMENDATORY VETO
Grants access to a minor’s law enforcement records to local, State and federal law enforcement officers, rather than solely to local, State and federal law enforcement youth officers. Substitutes “fitness” and “unfitness” for “competency” and “uncompetency” in the list of those examinations, hearings and findings which will toll the 120-day period in which an adjudicatory hearing must be held to determine a minor’s status as a delinquent.

Fiscal Note Act may be applicable.
SENATE AMENDMENT NO. 1.
Excludes contracts with persons liable for the creation or maintenance of the condition to be ameliorated under the contract; excludes contracts payable from federal funds; specifies that indemnification includes any interest due on the judgment, and is payable only after the time for appeal has lapsed; authorizes the insurance determination to be made by classes of contractors or pollutants; requires the potential client to authorize the Attorney General to conduct his defense so as to further the interests of the State as well as those of the client.

Amends the Retailers' Occupation Tax Act to provide for a tax credit for retailers' whose place of business is subject to restricted access because of State highway construction. Effective immediately.

FISCAL NOTE
(Prepared by Dept. of Revenue)

It is difficult to determine what the true revenue loss to the State will be as a result of HB-3513 as it depends on the number of eligible retailers, their sales tax liability and whether or not they utilize this credit. However, the loss in sales tax revenues the State already incurs as a result of reduced business would be further exacerbated by these provisions. Further, the Dept. would incur additional administrative expenses to implement this sales tax credit.
